GRI Appendix 2020

Together with the Boozt Annual Report for 2020, this GRI Appendix constitutes Boozt AB's third sustainability report according to GRI Standards as well as our Communication on Progress to the UN Global Compact. The majority of information on sustainability is included in the Annual Report. This GRI Appendix complements the Annual Report with further information, as indicated in the page reference column. Below you will also find information on our approach to stakeholder engagement.

Stakeholder engagement

Boozt values the ongoing dialogue with our stakeholders. Feedback is gathered throughout the year from our customers, employees, shareholders and suppliers to reinforce our relationships and understand their expectations. This table provides an overview of key stakeholder groups identified, how we interact with these stakeholders, as well as key topics raised throughout the ongoing stakeholder dialogue.

| Stakeholder | Interaction | Key Sustainability Topics |
|---------------------------------------|--|---|
| Customers | Customer service, customer satisfaction ratings, emails, social media, Webportal Boozt.com, certifications (product descriptions) | Environmental certifications, sustainability in Boozt operations, packaging material (sorting, composting, recycling), customer privacy and securety, business ethics and environmental aspects in our own operations and supply chain. |
| Suppliers | Partnership/joint projects, Boozt Partner Portal, meetings, agreements, sustainability data templates | CSR in supply chain, materials and certifications, GHG emissions from transports, packaging materials. |
| Employees | Employee satisfaction surveys, code of conduct, Policies, Staff Handbook, procedures, training and teaching modules (Boozt Learning Management System). | Talent acquisition, employee development/retention, strategies and priorities, health and work environement, equality and diversity, business ethics and environmental aspects in our own operations and the supply chain |
| Shareholders & Investors Community | Investor meetings, board meetings (selective), corporate communication publications (Annual reports, corporate web, audiocasts) | How to apply reporting standards (GRI, Global Compact, legal requirements), sustainability in supply chain, Boozt's role in the supply chain, gender equality, use of materials and recycling, policies and internal control |
